From the top of Arrowhead, ski Little Brave.

*(Look for signs to Little Brave from the top of Arrowhead. Stay off Springtooth.
Take it easy the first time so you follow Little Brave,
and keep your eye out for the bridge to Roughlock on your right.)*

Ski Little Brave to the bridge on your right where Roughlock begins.
Head over the bridge and onto Roughlock.

Ski under 3 bridges on Roughlock.
Before the 4th bridge, ski up to the left where there is a bench near the street.

Ski past the bench with a turn to the left, and glide to the wooden lamp post.
You'll be across the street from and parallel to the stairs.
Take off your skis, cross the street, down the stairs and you're home.
