Hello Lea,

I have put together a little rental income worksheet so I would have this information for you at hand 😊

See historic gross rental revenue information below:

3 bedroom VM		2014	2015	2016	2017	2018
Unit A	VM 210	63,490	70,008	56,190	63,117	52,559
Unit B	VM 221	55,346	70,868	54,462	60,000	65,923

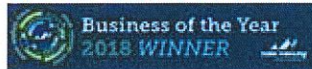

VM 210 typically had less owner stays, but when he did come, he came during peak time, like Christmas and New Year's. Let me know if you have questions!

Kindly,

Tess Eklund

Tess,

Can you send me rental info for 2017 & 2018, please? Also, you provided me with this info for 210 as well in the past since I think it had less owner use – is that still the case and if so, please send figures for it as well.

Thank you!

Lea
