What's new in town?

Espresso Ski Run

Is now known as "Slifer Express" in honor of Rod Slifer.

Chair 9

Formerly known as Chair 17, the Sun Up Express is a new high speed quad- perfect for getting you into the back bowls of Vail.

Christy Sports

At the top of Bridge Street, this shop has undergone a multimillion dollar remodel- same great staff with an expanded selection of gear!

Almresi

Formerly Cilantro's, and the Tap Room before that, Almresi offers the feel of a sunlight cabin in Switzerland.

Cripple Creek Backcountry

A local shop specializing in backcountry gear, located in Lionshead by the Boot Lab.

Pepi's Bar

Pepi's was completely renovated during fall season, and now features an open, fun floorplan with views up and down Bridge Street. Stop in for a après beer or glass of wine... it's sure to continue as one of Vail's best après ski bars!

What's going on at the former Ore House location? After two years of construction, a new restaurant to be called "The Pendulum" is now open!
